This is the latest edition of the Child Accident Prevention Practice and Information Exchange Network Information Bulletin prepared by Children in Wales. It contains the latest news, research and reports from the field of Child Accident Prevention.

If you do not wish to receive this occasional e-briefing, please let us know by emailing info@childreninwales.org.uk

If you feel your colleagues would benefit from this information, please forward.

CHAPPIE INFORMATION EVENT

We are currently organising our next CHAPPIE information event. They will be held on **20th October in South Wales** and on **18th November in North Wales**. Locations to be confirmed

In order for these events to be as useful as possible, we are identifying the needs of the CHAPPIE network and **we would like to know YOUR needs.** For example; in relation to accident prevention;

How can we help? What would you like to know? What are you struggling with? What accident prevention examples would you like to hear about?

Over the next few weeks, my colleague **Hannah Bussicott will be contacting you to understand your needs**, enabling her to organise relevant and useful events for your CHAPPIE network. In the meantime, have a think about what you need to address accident prevention in your area.

To contact Hannah, please email chappie@childreninwales.org.uk
