RISING TO THE CHALLENGE
Keeping Children on the Agenda
Children in Wales' Annual Round Table Conference
&
Annual General Meeting (AGM)

15 December 2010

Main Conference - 9am - 4.30pm

AGM - 4.30pm - 5pm

Christchurch Centre, Newport

**An opportunity to exchange practice and consider the
important themes of Child Poverty and
Supporting Vulnerable Families in more depth**

Rising to the Challenge

Keeping Children on the Agenda

The aim of the Annual Round Table Conference is to equip policy makers and practitioners, across all disciplines in the children and young people's sector in Wales, with the latest essential information that will support their work.

The conference offers the opportunity to consider the latest information on how to address the Welsh Assembly Government's **Children & Families (Wales) Measure - Part One: Eradicating Child Poverty and Part Three: Integrated Family Support Team.**

The theme of planning and measuring outcomes will also be an intrinsic part of the day. This Round Table event will be an opportunity for discussion about how we continue to rise to the challenge of ensuring that the rights and well-being of children and young people are met and their families supported in the present economic climate. Participants will also address key questions prioritised by professionals and by children and young people.

Keynote Speakers:

Huw Lewis AM, Deputy Minister for Children, Welsh Assembly Government

Leighton Rees, Head of Children's Services & Partnerships, Merthyr Tydfil County Borough Council

Dr Tony Jewell, Chief Medical Officer, Welsh Assembly Government

Gwenda Thomas AM, Deputy Minister for Health & Social Services, Welsh Assembly Government

Richard Thurston, Head of Research for Children, Education, Lifelong-Learning and Skills, Welsh Assembly Government

Dr Louise Bamfield, Head of the Employment & Skills Building Block Team, Child Poverty Unit, UK Government

Catriona Williams, Chief Executive, Children in Wales

The event will be chaired by **Dr Mike Shooter CBE**, Chair, Children in Wales.

Your Market Place

As well as hearing from the speakers above, we would like to invite **YOU** to be part of this conference too. We will be exploring and sharing knowledge and information on promising practice and innovative approaches to delivering co-ordinated children, young people and family services, so why not apply to be part of **Your Market Place?**

Poster presentations at Your Market Place will provide an opportunity for local projects to celebrate their work, and gain recognition within a wide ranging, cross-sector environment. As the conference has a cross-cutting theme of Child Poverty and Family Support, applications from

projects that are delivering a service in this area of work will be given priority. However, all innovative projects will be considered from within the field of children, young people and families.

If you would like to apply, please send an e-mail to membership@childreninwales.org.uk We will then forward the necessary paperwork to you. We look forward to hearing from you!
