

# COVID-19: Impact on Welsh Early Education and Care Children's Rights

COVID has had a negative impact on Children's Right to...

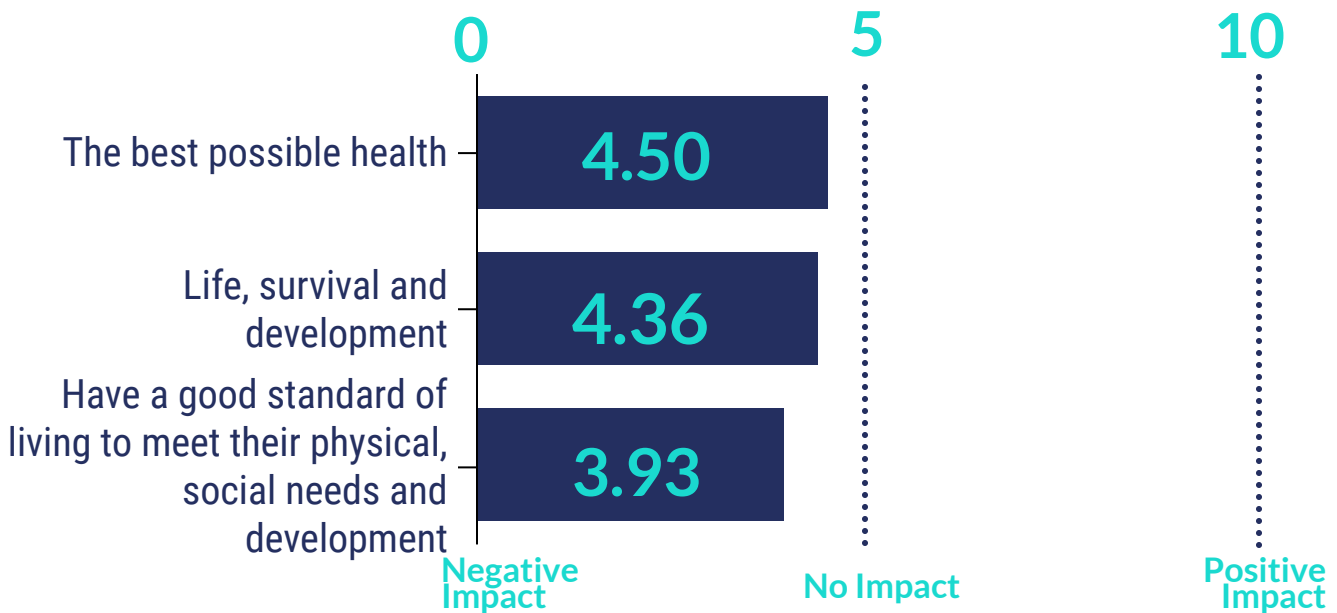

'meet with other children and to join groups and organisations'.

## Right to life, survival and development and health...

"Children's rights have been completely neglected during Covid... School isn't just about Education, for many children it is their safe haven and their place to access food, nurture and security"

## Practitioners felt that COVID has had small positive impacts on Children's Right to...
