

The culture of voice in early childhood: attunement, participation and power.

Dr. Lorna Arnott

University of Strathclyde

Voice =
shared experience =
holistic 'seeing'.

- Listening
- Reflexivity
- Interpreting
- Observing
- Meaning Making/
Conceptualizing
- Repositioning the
view
 - Attunement

Conceptual Underpinning: Power and Agency in Context

Understanding experience and
voice is asking:
What does it feel like to be a
child?

Culture of
voice =
context
specific

Thank you
